H100 · 1-YEAR CONTRACT

$3.26/hr

per GPU-hour, vs $3.49 on-demand median

Committing for a year buys a small discount on H100. Terms are individual and vary by provider and cluster size.

NEW ON ORACLE CLOUD · DCD

Vera Rubin

Nvidia's next GPU generation is now generally available on OCI.

No public per-hour rate yet, so it is not in the Coloprice index. We will add it when a list price is published.
